Webb Hill Happenings

Even with September's brutal heat, we have had SO many activities here on the hill. Thank you for your amazing support on the course and in the dining room alike. Hopefully, October will bring cooler days and continued fantastic participation. Come on fall...we are ready for you!

The course continues to be in fantastic shape despite the extreme heat and drought we've been experiencing. How Wade and staff have maintained it during this time speaks to their dedication and love for Webb Hill. Please give them a big thank you for all of their hard work. Guys, you are all appreciated for all you do. Hopefully, mother nature will be kind and bring us cooler days and rain in the coming days.

A big thank you to Bill Allen for his help during these past two plus years managing the golf shop. He has done a great job. Bill has decided to step down from the position (and headache) and enjoy his retirement a bit more. Wishing you the best, Bill, I'm so grateful for all your help through the years.

With Bill stepping down, we want to welcome Kimetha Lyday as the new golf shop manager. Kimetha has been with us for nearly a year now. She loves Webb Hill and is such hard worker. We're happy to have her here in this position. If there's anything you'd like to see added or improved upon in the golf shop, please feel free to reach out to her, Sandra, or myself. We are ALL here for you.

A special thanks to assistant manager, Sandra Murphey for all that she does here on the hill for me and our Webb Hill family. She works tirelessly to see that things run smoothly and that you all, along with your guests, have a great experience at the club. We appreciate all you do, Sandra!

Our Greens Committee meeting in September went really well. We had over 13 attend. I'm happy with the consensus of the group to create a men's golf association. A great group of guys were elected to begin the initial set up of the organization. The MGA should be up and running in early 2027. They will be sponsoring, managing and monitoring most of the events here on the hill. As the association forms, we'll be reporting it here. My hope is that you, our members, will all support and want to be a part.

Congratulations to our 2026 Club Champion, Alfonzo Rodriguez! We're so proud that our chef and all-around everything man, here at WHCC, won by shooting an amazing two day score of 139! Congratulations, as well, to Pete Haayen for winning the 2026 Super Senior Club Championship. I don't know anyone who works harder at the game than Pete! Well done and congratulations to you both.

We had several celebrations this past month here on the hill… Happy birthdays went out to Ron Bates, Wayne Money and the West twins. We also were honored to have Rosemary and Jim Woodruff celebrate their 64th wedding anniversary. Wishing you ALL many more!

We have lots planned for you in the clubhouse in October. We will be celebrating Oktoberfest on Thursday the 15th at 11:30. We will also be hosting our delicious Shrimp Peel and Fish Fry on Saturday the 17th. We always get so many compliments on both of these events.

Don't forget to sign up for our "Gather, Graze & Groove" ladies event on Saturday, October 24th! We've planned a light fun day for you….Champagne and socializing starts at 11 a.m. followed by our special luncheon. Webb Hill's very own, Chrissie Dunhan, will be our inspirational speaker, followed by Music Bingo (with lots of prizes) by DJ Serena McHenry… It's going to be an event you won't want to miss!

Thanks you for your continued support; come see us and be a part of the fun here on Webb Hill! -Scott

Superintendent's Notes

.....From Wade Toeplitz

Fall is finally here! Doesn't much feel like it, and the tree leaves have been falling for the last several weeks. Still no rainfall to speak of previously or in the future I can see. I've seen these conditions at the hill for almost 40 years and then winter comes in fast. The chatter is that we will be seeing lots of snow this winter. That actually sounds refreshing at the moment.

This month we finish out our tournaments for the season. We really enjoyed hosting them all. The men's club championship and super seniors club championship have been solidified. Congratulations to our very Own Alfonzo Rodriguez on his club championship win and Pete Haayen on the super seniors. Both of these gentlemen work very hard on their game and deserve it. Next is the regular seniors club championship. Good luck!

This month we plan on doing our first round of fall pre-emergent for our winter weeds. Plan is to mix in some iron for color enhancement and summer stress recovery. We will follow up in around 6 weeks with round 2. This should really help us during the winter months. The last of aerifications are done unless we feel we need to perform a needle tine or some sort of spiking to allow for water penetration. Our greens typically dry out and become lightning fast. Therefore, the next few weeks you will slightly notice the increase in height of cut. Things didn't exactly go as planned last year so we are getting started earlier to make sure we have some coverage for winter.

While we get mostly compliments on the course we still get some complaints. Yes, our tee boxes and fairways are extremely hard. They have received more water than other areas and we have ran the aerway over them a minimum of 12 times this year. The material we have to work with is less than desirable and no matter the amount of water we still have cracks. There of course are options to help but of course they are expensive and disruptive. I have explored every option available. I truly feel we do the best we can with what we have.

One other thing to keep an eye out for is a possible Worm Fest tournament! Worm castings are one of our biggest daily challenges. Since treating for worms is not an option we feel a broom is the best thing. Worm Fest will be a small tournament put together to come up with the means to purchase this broom we can pull behind a tractor daily before mowing. It will help with reel maintenance, cleanliness and a better cut. This one means a lot to me and Trinten who sharpens the reels way too often.

Thank you all. Hope to see you soon.

Congratulations go out to Adam Morgan of Rowlett, Texas, for his first ever Hole-In-One on Friday, August 21. Adam aced the 168 yard par 3 #11 with his 6 iron from the white tees. (Adam said to be sure to mention that he had an 11 mph head wind when he was hitting). Witnesses were: Nate Nelson, Kai Torres and Jim Sherwin.

Congratulations go out to Webb Hill Member Lonn Hill on his HOLE-IN-ONE on Monday, September 7. Lonn aced the 154 yard #6 par 3 with his 5 wood from the red tees. Witnesses were: Brayden Malone & Bobby Ault. CONGRATULATIONS LONN!!

Golf Course News

Hopefully the weather will cool off soon. I know I'm ready. Kudos to Wade and his maintenance crew for keeping the course in such great shape. I get compliments constantly on how good the course looks.

I would like to say a HUGE thank you to Bill Allen for everything he did for us in the Pro Shop as Pro Shop Manager. We couldn't have made it without you and you will be missed. Enjoy your retirement.

Congratulations go out to our Men's Club Champion, Alfonzo Rodriguez and our Men's Super Senior Club Champion, Pete Haayen. The Men's Championship was a two-day event. Alfonzo shot 72-67=139. The Super Senior Championship was a one-day event. Pete shot 75. So proud of these gentlemen!

The sixty plus group now plays on Wednesdays. If you would like to play golf with this group, call the pro shop at 903-496-2221 to be added to their group for the week. They'd love to have you.

The Greens Committee met on Thursday, September 10. We discussed the steps for the formation of the Webb Hill Men's Golf Association. We took nominations from the floor and ended up with 12 candidates willing to serve on the start-up committee for the MGA. Ballots were distributed and the following were elected: Pete Haayen, Andy McAngus, Roger Robertson, Drew Feaser, Greg Boston and Robert Moreland. This committee has been tasked with having the MGA ready for 2027.

Fall merchandise has been ordered and should arrive early October.
